

New Model:TH-X

The TH-X is Libec's new high-spec entry level tripod system. It is lightweight, rigid, and high quality. Rather than a simple successor of the TH-650HD, the TH-X is an evolved tripod system on a whole new level.

Advanced Features

Dual Head structure

65mm bowl/flat base design head with 3/8" screw hole for versatility.

Compatible with photo tripods, sliders, and lots of other equipment with a flat base and 3/8" screws.

Snap ON/OFF plate

DUAL HEAD

One touch attachment & quick release plate, compatible with Sachtler and Manfrotto heads.

*Note: this quick release plate is not compatible with LIBEC ALLEX, RS, or other libec heads.

Improved tripod legs

SNAP ON OFF PLATE

Newly designed tripod legs with greater rigidity and payload capacity.

Lightweight

200g/.44lbs lighter than TH-650HD, formally the lightest tripod system in the Libec tripod system lineup.

Libec pan handle rosettes/threads

Two rosettes on the head allow additional Libec pan handles and AS-7K accessory support arm.

Newly designed carrying case

Padded carrying case with shoulder strap and side pockets for greater usability.
